

# ADNAN BIN ALAM

[code.technoadnan@gmail.com](mailto:code.technoadnan@gmail.com) • [technoadnan.github.io](https://technoadnan.github.io)

## Objective:

I'm a highly driven high school student passionate about developing software and my purpose is to make people's lives better by Technology. Seeking opportunities to develop coding, communication, problem solving skills.

## Education:

John Adams High School *Sep 22' - currently*

*Currently enrolled in 11th grade*

*Average in 1st semester: 102.52(weighted)*

Gpa: 4.0(unweighted)

- *IB: Biology and English*
- *AP: U.S Government & politics*
- *Honors: Algebra 2*
- *Non-honors: Foreign Language, Gym*
- *College classes: Statistics III, Health*

The East New York Arts & Civics High School

*March - Sep 22'*

Gpa: 4.0(unweighted)

## Extra-curricular Activities:

- Active member of School's *robotics* club, MechaSpartans - team 6648, participating at state level competitions
- Tutor at Algebra 2 class after school, helping students to pursue higher grades

## Project:

- Personal Portfolio — [technoadnan.github.io](https://technoadnan.github.io)
- Cricket Data Analytics through Pandas and web-scraping
- Graphical User Interface Quiz game created through an active API
- Weather alert through text message and Email
- Youtube clone
- Birthday message automation

## Skills:

- Proficient: Python
  - Pandas
  - Numpy
  - Data Structure & Algorithm partial mastery
- Version Control Git and Github
- partial mastery: C programming
- partial mastery: Web-development skills(*HTML, CSS, JS, Wordpress*)
- Hands on experience in robotics

## Experience:

- *Web developer* at Pathfinder Internship
  - Worked with
    - Morgan York Consulting (web-dev)
    - Everybody wins Atlanta(lead web dev)
- *Freelancer* connected with 5 clients

## Certification:

- CS50 introduction to python programming
- Google Certification Machine Learning
- 100 days of code by Dr.Angela Yu
- Sololearn
  - Python
  - CSS
  - HTML
- Freecodecamp – web development

## Hobbies:

- Playing cricket
- Reading self-development books
- Walking outside
